HISTORY/FACTS/ISSUES:

On February 13, 2007, the BOCC approved the designation of The Villages Daily Sun as the newspaper of record for all BOCC general and legal advertisements for a period of 3-years.

The service of The Villages Daily Sun has been exceptional with specific emphasis that the daily printing allows for more flexibility on the submission dates of required legal notices in order to expedite hearing dates for our customers.

The BOCC has the right under Florida Statute 50.011 to designate the newspaper in which to place its advertisements.
